NEW TARIFFS

During the month under review there have been distributed from the Department to all the principal Custom-houses and Boards of Trade throughout the Dominion, copies of all foreign and colonial tariffs and supplements thereto, as furnished during that period by the International Customs Tariff Bureau, which are always available for reference by those interested therein, resident at the principal centres of trade. The following British and Colonial are supplemental to those previously published, and comprise all additions thereto or changes therein, so far as the Department has authentic advice:

TRINIDAD AND TOBAGO.

CUSTOMS DUTIES.

No. 18. 1909. November 8.

AN ORDINANCE RELATING TO CUSTOMS DUTIES.

Be it enacted by the Governor of Trinidad and Tobago with the advice and consent of the Legislative Council thereof as follows:—

1. This Ordinance may be cited as the Customs Duties Ordinance, 1909.
2. There shall be raised, levied, collected and paid, for the public use of this Colony, the several duties set forth in the First Schedule to this Ordinance, upon all goods, wares and merchandise, enumerated in the said Schedule, which shall be imported into this Colony, or taken out of bond for consumption in this Colony.
3. There shall be raised, levied, collected and paid, for the public use of this Colony, upon all goods, wares, and merchandise not enumerated in the First Schedule to this Ordinance, and not hereinafter exempted from the payment of duty, which shall be imported into this Colony, or taken out of bond for consumption in this Colony, an *ad valorem* duty at the rate of ten per centum or ten pounds upon every one hundred pounds, of the actual cost of such goods, wares, and merchandise.
4. The goods, wares, and merchandise, enumerated in the Second Schedule to this Ordinance which shall be imported into this Colony, or taken out of bond for consumption in this Colony, shall be exempted from the payment of duty.
- 5.—(1) The cost of goods, for the purpose of ascertaining the amount of the *ad valorem* duty payable thereon shall be calculated, if the goods have been purchased by the importer or consignee thereof, on the price charged for the said goods by the vendor thereof as verified by the genuine invoice of such goods, and, if procured otherwise than by *bona fide* purchase, calculated on the actual market value or wholesale price of such goods at the time of exportation to this Colony in the principal markets of the Country whence such goods were imported: Provided always that the Collector of Customs or the proper Officer of Customs is satisfied in the case of goods alleged to be purchased of the fact of purchase, that the entries in such invoice are true, and that the invoice is genuine in every particular, and also in the case of such goods or of goods obtained otherwise than by purchase that the price charged for the said goods as represented by the invoice aforesaid or by the entry appears to be a fair market value for such goods, at the place, and at the time that the same were purchased by the importer or consignee thereof.
- (2) No discounts or deductions from the value of any goods chargeable with *ad valorem* duty shall be allowed unless such discount or deduction be clearly shown to the satisfaction of the Collector or other proper Officer on the original invoice or unless the same be verified by the signature of the manufacturer, merchant, or person from whom the goods set forth or described in the invoice were purchased, and by whom such discount or deduction has been or purports to have been actually allowed.
6. When any invoice for goods purchased in a foreign Country expresses the value of such goods in the coinage of that Country, such value shall be assessed by the Customs authorities in the Colony at the constant exchange value, (based on the relative values of the precious metals) of such foreign coinage for sterling money, and the importer shall pay duty, when duty is payable at an *ad valorem* rate, on the amount calculated at such value.
7. If any article subject to the payment of specific duty is imported in any bag, box, tin, jar, bottle, or any other package intended for retail sale and marked or labelled or commonly sold as containing or commonly reputed to contain a specific quantity of such article, such bag, box, tin, jar, bottle, or any other package as aforesaid, shall be deemed, as against the importer, to contain such specific quantity. In all cases where such package is not so marked or labelled or commonly sold or reputed, the duty, if payable on weight, shall be calculated on the gross weight of such package and its contents.
8. Goods not prohibited to be imported into the Colony composed of any article liable to duty as a part or ingredient thereof, shall be chargeable with the full duty payable on such article, or, if composed of more than one article liable to duty, then with the full duty payable on the article charged with the highest rate of duty.
- 9.—(1) No liquor containing more than forty-two per cent of proof spirit as verified by Sykes' Hydrometer, or as certified by the Government Analyst, shall be deemed wine, and no liquor containing more than twenty per cent of proof spirit as verified by Sykes' Hydrometer or as certified by the Government Analyst, shall be

deemed malt liquor. All liquor, with the exception of medicinal spirits admitted as such by the Collector of Customs, containing more than forty-two per cent of proof spirit verified or certified as aforesaid and all liquor other than wine containing more than twenty per cent of proof spirit as aforesaid shall be deemed spirits.

(2) In any case where by reason of the presence of colouring, sweetening, or other matter, the true strength of any liquor cannot be immediately ascertained by Sykes' Hydrometer, a sample of such liquor may be distilled or treated by such other process as the Collector of Customs may direct, so that the true strength of the liquor may be ascertained by Sykes' Hydrometer.

10.—(1) Every package of malt liquor imported into this Colony shall have the original gravity of the worts thereof distinctly and indelibly marked on the outside of such package.

(2) All malt liquor imported into this Colony and not so marked shall be liable to forfeiture.

11. It shall be lawful for the Governor in Council to direct from time to time the goods on which a drawback of the whole or any part of the duties paid on the importation thereof may be granted, and the conditions under which such drawbacks of duties shall be allowed: Provided that no drawback shall be allowed on any goods where the amount of such drawback is less than the sum of ten shillings: Provided also that no drawback shall be allowed on any goods exported after the expiration of twelve months from the date of the importation thereof, or on any goods which in the opinion of the Collector of Customs have been exported with a view to their re-importation: Provided also, that on the re-importation of goods previously exported for drawback, the importer of such goods shall pay thereon the rate of duty in force at the date of export or at re-importation or at any intermediate time, whichever is highest.

12. The Governor of the Colony shall be entitled to a refund of the actual amount of duties paid on the importation of any goods purchased in the Colony for his own use.

13. Every sum of money which shall be due for drawback shall be paid by the Receiver-General on the proper debenture certified by the Collector of Customs, and the Receiver-General is hereby authorized to return any money which shall have been overpaid as duties of Customs or shall have been allowed as abatement of duty on account of damage in goods imported, on the proper document for such overpayment or abatement being certified by the Collector of Customs.

14. The importation is prohibited of extracts, essences or other concentrations of tobacco or any admixture of the same, tobacco stalk stripped from the leaf, whether manufactured or not, and tobacco-stalks flour, unless such articles are mixed with ingredients which render them in the opinion of the Collector of Customs unfit for use except for industrial or horticultural purposes.

15. The Collector of Customs may give permission to any person to bring into the Colony any goods without payment of duty thereon upon being satisfied that such goods are so brought in for temporary use only. Such permission shall be subject to the following conditions:—

(1) That such goods shall be taken out of the Colony within three months of the date of such permission;

(2) That the person to whom such permission is given shall deposit in the hands of the Collector of Customs the amount of the duty on such goods.

If such goods are not taken out of the Colony within three months of the date of the said permission, the deposit in the hands of the Collector of Customs shall be forfeited. If such goods are taken out of the Colony as aforesaid, such deposit shall be refunded.

16. All sums of money payable under this Ordinance shall be deemed and are hereby declared to be sterling money of Great Britain, and all duties under this Ordinance shall be paid and received according to the Imperial weights and measures by law established; and in all cases where such duties are imposed according to any specific quantity or value, the same shall be deemed to apply in the same proportion to any greater or less quantity or value.

17. The Legislative Council may from time to time by resolution increase, reduce, abolish or otherwise alter the Customs duty leviable on any goods imported into the Colony, or may impose Customs duty upon any goods so imported whereon Customs duty, at the time when such resolution is passed is not leviable.

18. The Customs Duties Ordinance (No. 179) is hereby repealed.

19. Any proceedings heretofore taken and any penalty, forfeiture or liability heretofore incurred under the provisions of any Ordinance relating to duties of Customs which has ceased to be in operation may be continued, recovered, or enforced as if such Ordinance continued in operation; and all bonds taken and all things done under the authority or in pursuance of any Ordinance relating to duties of Customs which has ceased to be in operation shall be as valid and effectual and may be enforced in the same manner as if such Ordinance continued in force.

20. Where any obligation has been entered into for the payment of the duties of Customs, such obligation shall be deemed to be an obligation to pay all duties of Customs which may become legally payable or which are made payable or recoverable under any Ordinance relating to duties of Customs for the time being in force and to pay the same as the same become payable.

Passed in Council this eighth day of November, in the year of Our Lord one thousand nine hundred and nine.

Acting Clerk of the Council.

CANADIAN TARIFF CHANGES.

The adjustment of trade relations between Canada and the United States with respect to the tariff has been recently announced as the result of the conference at Washington. The following are the 13 changes in the Canadian tariff by which the United States was enabled to extend its minimum tariff in favour of Canada after April 1. These reductions apply, not only to the United States, but to all other countries of the world not having specific trade arrangements with the Dominion.
